## 28<sup>th</sup> ANNIVERSARY - MANY HAPPY RETURNS!

Cutting the inaugural ribbon in 1989. Rev. Giles Ecclestone, Dr. Pamela Cressey, Dr. Fiona Waters.

On September 2<sup>nd</sup> 1989 the Day Centre was opened as a meeting place for older Over residents. Twenty-eight years on & the temporary portakabin is now a purpose-built care facility with qualified staff providing a safe, friendly environment for residents from fifteen South Cambs villages; Willingham, Swavesey, Bar Hill, & Over accounting for

the majority of clients. Little could Dr. Pamela Cressey have imagined the difference that her pipedream would make to the quality of life for so many people for so many years! A BIG THANK YOU to everyone who has supported the Centre. Without volunteers, donations & public fundraising this valuable charity could not exist.

### A Playdate for Young and Old

Clients were delighted to invite the youngest of Over residents on a playdate in September. Preschoolers, accompanied by their qualified childminders, entertained everyone with singing, stories & nursery rhymes. It was so much fun, with adults joining in to dance & clap, that future playdates have already been arranged. Thank you to Jeanette, Sharon, Wendy, Clare & Chell.
